## WORK EXPERIENCE

---

### WEB DESIGNER & SALES ASSOCIATE

Power Graphics & Action Sports Apparel | Sep 2020–Present

- Compose & monitor decorated apparel web stores built through InkSoft
- Build front-end website designs with Divi Builder for select clients in Wordpress
- Design vector graphics & vectorize existing logos in CorelDRAW and Adobe CC
- Create digital mock-ups of printed apparel for customer approval
- Print up to 600 shirts per hour on M&R Diamondback E screen printing press
- Assist with customer service, production flow, machinery, & graphic installs

### GRAPHIC DESIGNER

First Stop Signs & Apparel | Oct 2018–Aug 2022

- Produced vector graphics for decorated apparel, signage, promotional items & more
- Printed & plotted materials on Roland EnVision plotter & Gerber EdgeFX spot color printer
- Designed, produced, & organized new apparel for the store's local school showroom
- Worked directly with individuals/businesses to fit their custom branding needs
- Assisted with production of signage, decals, heat-imprinted apparel & more
- Fulfilled tasks remotely within tight deadlines when needed

### GRILL & CHILL MASTER

Dairy Queen Grill & Chill | May 2016–Mar 2020

- Mastered all work stations, from Grill Cook to POS
- Often ran a timed drive-through singlehandedly
- Cleaned, restocked, and monitored food lifespan during any downtime
- Assisted other work stations when needed

### ON THE SIDE

- Design logos, business cards, decals, & apparel for friends & family
- Sell custom vector portrait commissions through Fiverr/Facebook
- Design & sell vinyl decals through Etsy
